

# Skid Steer Grapple Bucket

Whether you're clearing land, cleaning up storm debris, or prepping a burn pile, our Grapple Bucket is your go-to tool. Designed for maximum efficiency, it rakes up debris with ease, then grips, lifts, and loads it into dumpsters, trailers, or dump trucks - all without breaking a sweat. Its curved shape helps roll debris into tight, manageable piles - perfect for burning or disposal. Built from high-quality steel, these rakes are tough, durable, and ready for the long haul. Each Grapple Bucket comes fully equipped with hydraulic hoses and flat-face couplers, and we offer compatibility with a wide range of machines including Bobcat, Ditch Witch, Boxer, Toro, Dingo, Vermeer, ASV, and more. Get the job done faster, cleaner, and with less hassle - upgrade your equipment with a Grapple Bucket built to perform.
