

Skid Steer Stump Grinder

Experience unbeatable visibility and effortless control with our easy-to-operate stump grinder. Designed for precision and comfort, it gives you a clear view of the work area - so you can grind faster and more accurately. A built-in rubber damper on the quick-attach bracket reduces vibrations, protecting your loader and ensuring a smoother, more comfortable operation. Engineered for durability, the cutting disc features a support bearing that minimizes torsion forces, extending the life of the machine and boosting performance. And for added safety, the stump grinder comes equipped with a tough rubber guard that keeps flying wood chips contained - keeping your worksite cleaner and safer. Ready to grind smarter, not harder? This is the tool you've been looking for.

A Discount Rural Company

Discount Implements is a subsidiary of Discount Rural. Full specifications are available on our website. All prices are inclusive of GST. Warranty is strictly back-to-base. For full terms and conditions for the warranty, please visit our warranty page. *Offers, inducements and accessories are available only while stocks last and are subject to availability. Offers and/or included accessories may be withdrawn or changed without prior notice. Included bonuses may be changed for an alternative of lesser retail value at agents discretion. Package deal price(s) available only at designated marketing events or at dealers discretion. Prices and specifications correct at time of publication but are subject to change and/or correction without prior notice. Implements with gearboxes (ie. Connect to the tractor with a PTO shaft) do not contain oil when new - add gear oil before use. Some assembly is required. Gear oil not included.
